23.00200 Language Arts/Grade 1

In first grade, English Language Arts instruction builds on foundational literacy skills by deepening students' understanding of print concepts, phonological awareness, and phonics as they decode and encode increasingly complex words both in context and isolation. Students expand their vocabulary and apply growing knowledge of grammar and sentence structure to speak and write in complete, coherent sentences. Reading comprehension skills develop through engagement with a variety of literary and informational texts across different genres and purposes. Students continue to refine handwriting and fine motor skills while using working memory to transcribe oral language into written form. Writing instruction supports composing for multiple audiences and purposes, with students strengthening their ability to express ideas clearly across various modes and genres. Through instruction aligned to Georgia's K–2 standards and the first grade expectations in the K–12 English Language Arts (ELA) Standards, students develop as confident readers, writers, and communicators. This subject must utilize the K–2 standards and first grade expectations outlined in Georgia's K–12 English Language Arts (ELA) Standards.
